**Executive Summary** 

## The Former St William of York Religious & Educational Complex | Offered at \$1,799,000

This ±40,160 SF complex is ideal for a religious buyer who desires to incorporate education and/or childcare in its ministry. The two-level school wing, built in 1947, includes nine light-filled classrooms, a gym, and commercial-style kitchen. The parish center, which was formerly the convent, is currently built-out for administrative and recreational use, and could be adapted for additional classrooms, meeting rooms, offices, and/or reception area. The rectory, currently configured for communal living space, could also be adapted for offices, classrooms, or additional spaces for ministry. The sanctuary, with pew seating for just under 200, can be used for worship, or could be adapted for use as an auditorium or large multipurpose room.
